

— CLOS DEL PORIAL —
TROS de CLOS
MAS M^{DEL} METGE

Alfredo Arribas

Wine from the Mas del Metge site, from two Carignan vineyards that ascend between cliffs towards the highest peaks of the estate. Fresh orientations, capable of delaying the ripening periods. Generous power and essential character, sustained by the grape that is most resistant to extreme terroirs.

APELLATION	PRIORAT
VARIETIES	Carignan
ALTITUDE	325 m
SOILS	Slate “Llicorella” mixed with gravel
AGE OF VINES	More than 60 years
FARMING	Biodynamic viticulture
