

Tros Blanc **SALERES**

Alfredo Arribas

TROSOS

SALERES, A singular white grenache vineyard, co-planted with some Macabeo. With the precise structure and quality to become an aging wine. In certain vintages, it has joined the fermentation of the Mas de la Notaria vineyard. Paused progression and great complexity, Saleres, with white soils - "panal" - , offers a delicate version of Tros Blanc, rich in nuances of aromatic herbs.
